Anthony, owner of the salon, began hairdressing in 1959 aged 14 and continued to build a career as a global hairdresser for thirty years. He established his first salon in Chichester in 1970 before opening Q at 37 North Street just two years later.

**ANTHONY BARNES-SMITH AND MANAGING
DIRECTOR, DAWN LAWRENCE**

A listed building, and former school, 37 North Street was built in 1820, it retains its historic atmosphere despite a fire in the 1980s and all interior work carried out since then has been sympathetically designed to incorporate the original architectural and structural features.

2017 brought the opening of our first 'satellite salon' in the gorgeous market town of Midhurst set in the heart of the South Downs. Inspiration was drawn from the design of our Chichester salon to include natural sustainable wood and relaxing open space along with a sense of privacy and luxury.
